Bucket list item. Gave you options from what I could find in a couple of hours. The website seems interesting. Not sure if you had someone who could get us tickets and we watch with them instead of a stranger. Either way, it seems fun.

Flamengo also does museum/tour at R \$80.00 (\$16.42 USD). I would imagine Fluminense does something similar; just haven't found it. lol

Still researching. This is just the start
