Dear AUNER RAMON,

We look forward to seeing you on your upcoming flight to Brazil. As you plan for you upcoming travel, we're committed to providing the information you need to be prepared, safe and secure upon arrival.

For all passport holders from the United States, Canada and Australia, the requirement to present an eVisa for entry into Brazil has been postponed and now applies to flights arriving to Brazil on or after April 10, 2024.

If you are traveling before April 10, 2024, and have already successfully obtained your Brazilian eVisa, your visa will still allow multiple entries into Brazil for future travels with the same validity period as conventional visas (up to 10 years for U.S. passport holders). Securely store your PDF copy of your eVisa that is emailed to you, as you'll be required to present this document during boarding and upon arrival into Brazil.

If you no longer wish to travel to Brazil, please let us know by modifying or canceling your trip via My Trips on delta.com prior to your schedule flight. If you book through Delta Vacations® or a travel agency, please contact them directly.

Taking care of you is at the center of everything we do. To help you make informed decisions regarding your travel, and to access trip-specific requirements vis Delta FlyReady, please visit Delta's Travel Planning Center for more information.

Thank you for choosing Delta Air Lines.
